

CHELTENHAM
LADIES'
COLLEGE

BEHAVIOUR, DISCIPLINE AND REWARDS POLICY

College is founded on values of trust, respect, honesty and consideration for others. The rules and expectations are to support the vision and mission of the College, which aims to promote excellence in all areas; to develop pupils' independence; and to inspire and empower the young people who attend the College.

We have high aspirations, with an expectation that we all strive to do our best and make a positive contribution to the College community. Certainly, pupils should treat all those with whom they engage at College in a respectful and inclusive manner, which is in keeping with the character and ethos of Cheltenham Ladies' College.

The College Rules set out our standards of behaviour and certain things which are expressly forbidden, but do not list every possible variant. The following documents also explain some issues in more detail:

- College Rules
- House Staff Handbook
- Divisional Handbooks

This policy should be considered in conjunction with the policies referred to in this document and the following additional policies:

- Academic Honesty and Malpractice Policy
- Alcohol, Drugs and Smoking Policy for Pupils
- Anti-bullying and Anti-cyberbullying Policy
- Attendance and Registration Policy
- ICT Acceptable Use Policy for Pupils
- Pupil Relationships in College Policy
- Physical Interventions and Positive Handling Policy
- Search and Confiscation Policy for Pupils
- Curriculum Policy
- Staff Code of Conduct
- [Safeguarding \(Child Protection\) Policy](#)

Below, we have listed various standard expectations all pupils should respect, as well as certain behaviours that would be deemed unacceptable. It is not possible to provide an exhaustive list, nor would we wish to do so, because our approach is to rely on the overwhelming good sense and character of our pupils. If necessary, when addressing behaviour that falls short of our expectations, there is an escalating scale of responses that could lead to exclusions for serious misconduct.

EXPECTATIONS FOR BEHAVIOUR IN COLLEGE

All members of the College community are expected to behave in a respectful, courteous and considerate way towards others, and we regard this as an important aspect of education. Treating each other with mutual respect is part of our College Statement of Values.

THE ROLE OF STAFF

Appropriate standards are maintained through consistency of expectation across the College. Therefore, *all staff* have a role to play in supporting this policy:

- They should be familiar with and apply the College Rules and policies.
- They should uphold and support College's standards, rules and policies, both in their communications and actions.
- They should intervene promptly when pupils' behaviour does not meet the appropriate standard.
- They should never regard a pupil's poor behaviour as 'someone else's problem'.
- They should give encouragement and praise regularly and should reward good conduct and not just high achievement.
- They should apply appropriate sanctions according to College's policies and procedures.
- They should maintain consistent standards on minor details and not just respond to more serious bad behaviour. Examples include paying attention to the standard of pupils' dress and appearance and their own; insisting on punctuality; ensuring that pupils speak thoughtfully to and about each other.
- They may choose to respond or impose a sanction themselves, but for more serious, complex or persistent cases, they should ensure that the pupil's Housemistress and Tutor are informed and escalate to the Head of Division as required.

EXAMPLES OF BEHAVIOUR WE WISH TO PROMOTE

- Polite and thoughtful communication, whether in person or otherwise.
- Calmness and self-discipline during the working day.
- Punctuality and reliability.
- Hard work.
- Self-control and considerate behaviour in public or on formal occasions.
- Respect for the beliefs and opinions of others.
- Respect for the property of others.
- Sharing and valuing the participation and contribution of others.
- Good table manners.
- Expressing thanks and appreciation, or apology and contrition.
- Appropriate standards of dress and appearance in a variety of situations.
- Appreciation of surroundings and environment.

- Appreciation for the work and contribution of others.

EXAMPLES OF BEHAVIOUR WE WISH TO DISCOURAGE

- Gossip, rumours and malicious comments (including via online activity).
- Behaviour which disrupts the work or activities of others, whether in College or in public.
- Swearing or uncouth language and conduct.
- Behaviour which damages or puts at risk other people or property.
- Behaviour which diminishes the enjoyment of others (eg noise).
- Behaviour which creates unnecessary work for others (eg littering or untidiness).

DISCIPLINE IN THE CLASSROOM

High standards of behaviour in the classroom are essential to effective learning. In order to apply the principles outlined above to the classroom, teachers should:

- Start and finish lessons on time.
- Ensure that pupils arrive properly dressed and equipped and remind them if they are not.
- Always follow up lateness or absence according to College procedures.
- Maintain a calm and productive atmosphere (eg paying attention; taking turns speaking; respecting others' ideas).
- Ensure pupils conform to the 'Digital Etiquette' section of the ICT pupil acceptable use policy when using digital devices in a lesson.
- Insist that work is completed to a high standard.
- Ensure that assigned work is submitted on time, and follow up non- or partial submissions with both the pupil and her Tutor.
- Ensure that pupils do not pack up or seek to leave before they are dismissed.
- Ensure the pupils leave the classroom organised and tidy.

More detail can be found in the Curriculum Policy.

DISCIPLINE IN THE HOUSE

Pupils' interactions with others in the House are vital in developing their social skills in situations which are varied and sometimes complex. The same standards and expectations apply here as elsewhere.

More detail can be found in the House Staff Handbook and the House Rules are included as an Appendix to this policy.

RESPONDING TO GOOD BEHAVIOUR

It is extremely important that staff should promote and reinforce good behaviour through prompt, positive feedback. Examples of ways in which this can be done are:

- Specific positive feedback directly to the pupil
- Awarding merits for good conduct or academic work.
- Sending an email or brief note of congratulation to the pupil, copied to her parents and the Head of Division for exceptional or improved behaviour.

- Sending an email to the pupil's Housemistress or Tutor, who can give public praise and feedback to her in a tutor group or House meeting.
- Sending a pupil to the Head of Division for congratulations.

RESPONDING TO POOR BEHAVIOUR

Generally, it is appropriate to respond to the first instance of minor infractions with a warning and explanation only, but a sanction should be applied should the behaviour recur. Immediate application of a sanction may be appropriate for more serious misconduct. Serious incidents such as those involving bullying, stealing, smoking, alcohol or drugs should be reported immediately to the Head of Division, the HPC or the VP.

In the classroom or during any lesson

If a class is persistently behaving badly, teachers should, in the first instance, seek the advice of their Head of Department. The Head of Department or teacher should also pass on significant concerns to the Head of Division. Poor conduct demerits may be awarded by the teacher for bad behaviour. For more serious or persistent misconduct, further sanctions may be appropriate.

In the House

Generally, misconduct in the House is dealt with through sanctions applied in the House. For more serious or persistent misconduct, further sanctions may be appropriate. Details of all house sanctions are available in the House Staff Handbook and Appendix 1 to this policy.

It is important to discuss ongoing poor behaviour with those who know the pupil best: initially this should be her Housemistress and Tutor but both should be informed of the behaviour. The concerns should then be passed to the Head of Division or HPC as appropriate. Good communication promotes a better understanding of the causes of the behaviour and consistency of response. Poor behaviour, both pastorally or academically, is logged on iSAMS and discussed at a weekly 'Pupils of Concern' meeting with any appropriate action plans put in place.

AVAILABLE SANCTIONS

Sanctions should be applied in a manner that is consistent and proportionate. Often the most appropriate response is a simple and immediate instruction to fix the problem: eg pick up litter; dispose of chewing gum; hand in phone; tidy up an area.

Heads of Division have overall responsibility for ensuring that sanctions such as demerits and detentions for the pupils in their division are recorded in iSAMS, and for monitoring any patterns which emerge.

Formal sanctions can also be applied. They include:

Demerits (Academic or poor conduct)

- Applied by: Any teacher or member of staff
- Applied for: Good or bad behaviour or academic work
- More details are below

Confiscation

- Applied by: Any member of staff

- Applied for: Any item they consider harmful or detrimental in terms of discipline.
- Staff are expected to confiscate items in cases of obvious breach eg mobile phones, non-regulation jewellery and clothing, or other electronic devices used contrary to College Rules.

Food may be disposed of. Confiscated items should be clearly labelled with the pupil's name and given to the Head of Division. Staff should also enter a demerit on iSAMS.

See the *Search & Confiscation Policy* for more detail.

House Sanctions

- Applied by: Housemistresses or their deputies
- Applied for: Any breach of House rules or poor conduct.
- Examples of house sanctions are chores, early bedtime, removal of privileges, gating, and House demerits.

Report Card

- Applied by: Head of Division after referral by tutor or Housemistress.
- Applied for: Repeated misbehaviour in the classroom or ongoing concern about academic work.
- Pupil must ensure her teacher signs the card each lesson to confirm her behaviour and progress is satisfactory.

VP Supervised Study (academic detention)

- Applied by: Any teacher
- Applied for: Failure to submit work or complete it to a suitable standard.
- Teacher to record this on iSAMS and provide necessary instructions and materials to the pupil. Pupil to report to the VP office at an agreed time and be supervised and have their attendance recorded on iSAMS.

'Lates' Report

- Applied by: Heads of Division
- Applied for: Five lates within a half-term
- These are awarded to pupils who are late for their tutor time in the morning. Tutors should use their FastVein dashboard to record that a pupil is late if they arrive after 8.20am
- The Head of Division will place the pupil on 'late report' if they are late five times within a half term
- Pupils must report to their Head of Division at 08.00 for five consecutive days. This will 'reset' to another five days if the pupil is late on any one of these mornings.
- A second set of five lates within the same half term will result in the pupil being asked to report to her Housemistress at 07.40 in full school uniform, and then her Head of Division at 08.00 for five consecutive mornings.
- Continued lateness will result in the addition of a VP detention to the above sanction and will also require parental notification and involvement.

Detention

- Vice Principals' Saturday Detention (08.00 Saturday). The VP's office will write to the parents of the pupil involved to notify them of the detention and the reasons.
- Applied by: Heads of Division / VPs for misconduct which can be referred by any member of staff.
- Applied for: Serious misconduct such as:

- Three demerits within a term. This can be any combination of three demerits.
- Behaviour which endangers self or others;

- Leaving College, missing lessons or other activities without permission.
- Rudeness or defiance towards staff.
- Damage to property.
- Persistent misconduct including lateness
- Missing Prayers without authorisation

Pupil Contract

- Pupils who persistently offend may be required to sign a pupil contract. This will be issued by the Head of Division in conjunction with the Vice Principal and parents will be informed.

College Community Service

- Issued by the VP to pupils for serious disciplinary issues.
- The nature and duration of the service will vary according to the offence that has been committed.

Exclusion and Suspension

- Applied by: The Principal only: see the Suspension and Exclusion Policy.
- Applied for: The most serious misconduct such as:
 - Breaches of the Alcohol, Drugs and Smoking Policy;
 - Bringing College into disrepute
 - Bullying;
 - Theft;
 - Breaches of the ICT Acceptable Use Policy;
 - Unsustainable disruption to teaching and learning;
 - Unlawful behaviour.

Use of Physical Restraint

Physical force must never be used as punishment. On rare occasions, physical restraint of a pupil may be necessary to prevent injury to herself or others; to prevent serious damage to property or equipment; or to avoid disruption to important activities. In such circumstances, any member of staff may physically restrain a pupil, but the force used must be reasonable and for the minimum time necessary. In determining what is reasonable, any disability or SEN must be considered. Where physical restraint has been required, the member/s of staff involved must immediately inform the Principal, or in her absence the Vice Principal. They should also record the details in writing as soon as possible after the incident and forward them to the Principal. The Principal will instigate a formal investigation into each incident and a report will be submitted to the College Council Audit and Risk Committee for consideration.

Demerits

These are awarded by any teacher who should record them on iSAMS. They are monitored by the pupil's Housemistress, Tutor and Head of Division, and used as the basis for behaviour management. They are not currently published to parents, but they can be referenced by the tutor in tutor reports.

Academic Merits and Demerits

Further details are in the Curriculum Policy.

Poor Conduct Demerits

These are awarded to any pupil for behaviour in any aspect of College life. Poor conduct demerits are awarded for any breach of College rules or behaviour which falls below the standards expected in College. Examples include breaches of uniform regulations, disruptive behaviour, and rudeness to others.

AVAILABLE REWARDS

Good Conduct Merits

- Applied by: Any teacher or member of staff
- Applied for: Good behaviour or academic work
- Good conduct merits are awarded for any behaviour which a member of staff thinks appropriate, such as acts of particular kindness or courage, taking responsibility unprompted or improved effort.
- A tally of good conduct merits is kept and used as the basis for the award of a House shield at the end of the year.

COLLEGE RULES AND EXPECTATIONS

Cooperation

In order to teach and care for the pupils properly, staff rely on pupils following instructions. Refusal to comply with reasonable staff instructions is considered a serious breach of the conduct expected at College.

Attendance and Punctuality

Pupils must attend school from the published first day of term until the last, except in case of sickness. Exceptional leave of absence should be sought from the Head of Pastoral Care, Miss Ralph.

Pupils must attend all meals.

Pupils must scan into College in the morning, and report to their tutor rooms by the following times:

- 8:20am on Mondays – Thursdays
- 8:30am on Fridays
- 8.55am on Saturdays

Pupils must arrive promptly to tutor rooms. The exceptions are the SFC pupils who have House tutoring. These girls must scan into College by 8.30am.

On Saturdays, pupils need to scan in by 8.55am and be at their first session for 9am. Occasionally there will be Divisional Prayers on a Saturday, when girls in the Division will need to scan into College by 8.30am for the 8.35am start.

In the afternoon, all pupils must scan into College by 2:25pm before moving promptly to their period 5 lesson.

- Lateness or not scanning is recorded and will result in sanctions: a combination of five lates / not scanning in a half term will result in a series of 'late detentions' with your Head of Division.
-
- Unauthorised absence is regarded very seriously and sanctions will be applied to address this.

On Field afternoons, pupils scan to register when leaving House and then register with the member of staff taking their activity. If a pupil is unable to participate for medical reasons, they must still report to Field, but with a slip from the Medical Centre.

When Silence is expected

Pupils must be silent at certain times and in certain places. In particular, silence must be observed along the full length of the Marble Corridor; this is not only a College tradition, but this is respectful of the fact that others are working in the libraries alongside the corridor. Pupils should also be silent on the Bridge near Learning Support, as well as in Prayers (including entering and leaving) and during fire drills.

School Uniform, Dress and Appearance

Pupils must observe and respect the regulations relating to uniform and appearance. They should wear school uniform in the Main College during core hours or, as required when participating in school events outside normal school hours. Pupils are expected to wear the uniform correctly, to present themselves smartly at all times and to represent College with pride when wearing the uniform. On any occasion when pupils are wearing uniform in public, this should be in keeping with the uniform policy and should reflect the high standards consistently required by College. A full uniform guide is available in the Parent Handbook.

Mandatory Uniform Items

College Uniform
Skirt – kilt for LC & UC; navy for SFC
Blue blouse (short or long-sleeve as preferred by pupil)
Blazer or Jacket – navy for LC & UC; green for SFC
Black leather shoes (these must comply with guidelines below)
House badge (LC & UC only – not for SFC)
Navy or black tights
Navy or black socks (LC & UC – only for summer; SFC – only with trousers)

Blazers or Jacket

Lower College and Upper College pupils are expected to wear their blazer at all times unless given permission to remove their blazer in class. Shirts should be tucked in and a jumper should only be worn with the blazer over, and not as the outer layer.

SFC pupils are permitted to wear the jumper as the outer layer when in College but must wear their blazer in Prayers and between the Houses and College in the morning, afternoon and when in public (this includes Community Links).

During periods of hot weather, the VP will let the pupils know that they do not need to wear their blazers or jackets until further notice. Shirts can then be the 'outer layer' in Prayers, to and from the Houses and in College. The shirts should be smart and tucked in. The VP has the discretion to alter the uniform during the year to respond to variations in the weather, including snow.

Coats

Outer coats must be either the navy College wool coat or the navy College waterproof. Coats should only be worn to and from College and Houses. Outside coats must not be worn inside Main College during core hours; 8.20am until 4.30pm Monday to Friday and 8.30am until 12.20pm on a Saturday. The only exception to this is when pupils are arriving or leaving the main College site. Only House scarves may be worn and only in accordance with the same rules as outer coats.

Trousers – SFC

Sixth Form pupils must wear trousers neatly, ie properly fastened and at the correct length, and because they are more difficult to fit, they will only be available from the on-site Uniform Shop, where they can be tried on by each pupil.

There will be occasions when Sixth Form pupils will be required to wear skirts and tights, instead of trousers, such as at formal events in College like Speech Day. Every pupil must therefore have at least one skirt. Trousers are optional.

Jewellery

No visible jewellery, apart from stud earrings or sleepers (one in each earlobe) may be worn with uniform. The sleepers must be small, discreet and tight to the lower ear lobe; not hooped earrings. No other form of piercing is allowed. Pupils are allowed to wear a single necklace which must be worn discreetly and should not be visible. The Head of Division must approve any variation from the above.

Pupils are expected to remove any other jewellery, which will be confiscated and returned at the following half term break. Pupils are strongly advised not to wear items of high monetary or sentimental value.

Hair and Make-Up

Hair that touches the collar should be tied back neatly with appropriate hair accessories to ensure that hair does not cover or obscure the pupil's face. Noticeably coloured hair, or ornate or extreme hairstyles are not acceptable. Make-up and nail varnish are not allowed and pupils will be required to remove this.

Shoes

Shoes must be black, plain, flat and of a type which can be polished. They may not have buckles, tassels or other adornments.

Bags

Pupils should carry their books in a sturdy bag and carry this with consideration for others. Bags should not be left lying in corridors or near doors and walkways.

Mufti

While pupils are expected to wear uniform when leaving College, they may wear mufti when leaving on Saturdays, provided they are suitably dressed. Pupils wearing mufti to a College activity or when leaving College should dress with decorum

Headphones

Headphones should not be worn on the College site. Any pupil walking around the College site wearing Headphones will be asked to take them off and may have them confiscated until the

end of the day. The ~~only~~ exception is in the Main Library where pupils are permitted to use headphones for noise cancelling purposes or if required for their work.

Sports Uniform

- Only full College PE kit, which must be clean and smart, can be worn down in College. This consists of CLC white / green polo shirt, CLC navy fleece, CLC navy tracksuit trousers and CLC navy tracksuit top.
- Base layers or 'skorts' are not acceptable outer layers and should not be worn as such.
- 'Mufti' sports hoodies or jogging bottoms are not permitted under any circumstances.
- Pupils can come down to College in PE kit in the morning if they have a PE / games lesson before lunch, a PE club at lunchtime or if they are a member of the senior / UC4 rowing squads that depart early during a Tuesday or Thursday lunchtime.
- All pupils are required to change back into their school uniform at lunchtime unless they have field afternoon or a sports club after College.

Pupils may wear the sports uniform to College only at the times specified for their year group eg Field sessions. Occasionally, pupils with matches immediately after school may be given special permission to wear sports uniform to lessons at other times.

Day pupils being collected by parents from College may wear sports uniform home.

Digital Awareness: Mobile phones and electronic devices

The use of mobile phones and electronic devices is managed at College with everybody's best interests in mind. The rules are in place to promote wellbeing and to uphold the standards of courtesy expected at CLC.

The acceptable use of IT is very important and there is a clear expectation that the internet and related communication technologies are used appropriately and safely.

Pupils may use electronic devices in the Houses according to House rules. Within the Houses phones should never be used in dining rooms. Phones should not be out during lunchtimes in the GCR either.

The rules for use of electronic devices and smartphones in College vary according to the Division.

Lower College:

Pupils in Lower College are not allowed to bring their mobile phones into College, unless special permission is sought. For example, teachers may on occasion, invite pupils to bring mobile devices to their lesson for use as part of an educational activity. If this is the case, the teacher will inform both the Housemistress and Head of Division and then phones must be handed in at Main Reception or to the Head of Division and collected for use at the appropriate time.

- Phones are handed in at House every morning by 08:10am and collected at the end of the school day. Day pupils who are being collected from Field may take their phones with them for the afternoon, but these must be kept out of sight and pupils should not have their phones out while walking to field.
- Boarders may have access to their devices at lunchtime in the House in agreement with the House Staff on duty but this will usually only be to allow phone calls home.
- Any LC pupils seen using a phone in College without permission will be issued a demerit and will have the device confiscated. The Head of Lower College will retain the phone and it may be confiscated for up to a week.

Upper College:

Pupils may have their mobile phones with them in College but they must not be used in any communal spaces.

- Phones may be used in a lesson or tutor session but only with the permission of the teacher.
- Upper College Pupils are not allowed to use their phones in communal spaces within College. Any UC pupil using a phone in College when they have not had permission to do so can expect to have the device confiscated until the end of the day and a demerit will be issued. This includes use in an empty classroom. Repeat offences could result in the phone being confiscated for a longer period of time.
- UC day pupils will be able to either hand their phone in at House or store them in their lockers on the main site.
- Devices may be used in the library and other study areas for academic purposes only and permission must be sought from the supervising member of staff, if present.

SFC:

- During the core College hours (8:20am until 4:30pm Monday to Friday and 8:30am until 12:20pm on a Saturday) Mobile phones can be used in break or study periods in defined areas. This is to minimise how visible the SFC use of phones is, promote self-regulation of use by pupils and minimise distraction. The communal areas where SFC phone use is permitted is:
 - Sixth Form Common Room;
 - Library for academic purposes during study periods and non-academic use at break or lunchtime but showing consideration for other library users;
 - A classroom after a lesson has finished and with the agreement of the teacher;
 - GCR during break time.
- Pupils may have their mobile phones or other digital device in College and can use them in lessons or tutor time if they have received permission from the teacher or Tutor.
- Pupils may use them in a classroom before a lesson but as soon as a member of staff enters the room the devices should be turned off immediately and put out of sight.
- Mobile phones are not permitted to be used in Tutor time unless an activity is being led by a Tutor which requires pupils to use their phone.
- Mobile phones must not be used in any corridor; phones should then be out of sight between lessons.

Transport and Safety

Pupils at CLC are trusted with a certain amount of freedom. It is therefore imperative that pupils abide by the procedures and rules put in place to help keep them safe. These measures include:

- Crossing roads at designated points and following staff instructions;
- Using walking partners where required by College;
- Using recognised routes to College and staying within these bounds;
- Scanning in and out as required, and notifying staff of their whereabouts;
- Only leaving the House or College with permission;
- Following instructions issued by staff or otherwise displayed.

Unsafe behaviour endangers pupils and can cause great disruption and distress, so it is taken very seriously and sanctions may apply.

Pupils are expected to behave with consideration towards others on public transport or as they move around College and town, being mindful of the fact that when in uniform, they are representatives of the College.

Pupils may not drive mopeds or motorcycles to school. Day pupils may ride bicycles between home and College with the permission of their parents and Housemistress. They must always wear a cycle helmet.

Food and Drink

Pupils should eat or drink within the designated areas at break or lunchtime. Pupils may not eat in the corridors or in classrooms. Pupils are asked to ensure the area they eat in is left clean and tidy. Pupils should also refrain from eating and drinking when walking to and from College. Water may be permitted in some rooms at the discretion of the supervising teacher. Chewing gum is forbidden.

Keeping College Tidy

Pupils should always dispose of any packaging or litter appropriately and contribute to keeping College neat and tidy. Lockers should be kept in good order and pupils should contribute to keeping tutor rooms, classrooms and general areas neat and tidy.

Gardens

The gardens are for everyone to enjoy and pupils must help to keep them tidy, and observe any instructions such as keeping off the grass in wet weather. In exceptionally warm weather, pupils may do school work in the gardens during free periods provided they are working in a discrete and productive manner.

Bullying

College is committed to providing a positive environment where pupils and staff have the right to learn and work free from harm and intimidation. The College is resolutely opposed to any form of bullying, prejudice or discrimination. The College will not only act against this in terms of discipline and sanctions, but it will also actively work to counter this through education.

Academic Honesty

Pupils should follow the principals of academic honesty as laid out by College policy. Plagiarism and malpractice are treated very seriously by College.

Dishonesty

Dishonesty corrodes the relationships amongst pupils and with staff. As much of College life is built on the premise that pupils can be trusted, dishonesty will be regarded very seriously.

Unlawful Acts

Pupils are expected to obey the law at all times. Any unlawful behaviour will be regarded in a serious light and could result in the involvement of police and other authorities.

Alcohol

Pupils may not bring alcohol onto College premises at any time. Were they to do so and hand it into their House Parent, usually no sanction would be incurred. However, if alcohol is discovered in a pupil's room, either by chance or after the search and confiscation policy has been enacted, a significant sanction can be expected. They may not drink alcohol unless authorised to do so by

the College on particular occasions, and never to excess. They must not supply alcohol to other pupils.

Smoking

Smoking and associated products and paraphernalia are forbidden at all times. This includes 'vaping' and e-cigarettes. Smoking in uniform, on private property or on College premises is particularly serious.

Drugs

The use, supply, possession or any other improper involvement with drugs is strictly prohibited. This includes illegal drugs, 'legal highs' and the misuse of prescription drugs.

Serious Misconduct Outside College

Private behaviour is not usually governed by College rules. However, any behaviour which is not legally or socially acceptable, which brings the College into disrepute or which in the judgment of College has a serious detrimental effect on the College, its pupils or members of its community, may attract sanctions. This includes, in the most serious cases, suspension or exclusion.

Further Information

Pupils seeking more information or clarification on particular issues are referred to the following policies:

- Anti-bullying and Anti-cyberbullying Policy
- Alcohol, Drugs and Smoking Policy for Pupils
- College Uniform Regulations
- ICT Acceptable Use Policy for Pupils

Appendix 1:

PREP RULES FOR JUNIOR HOUSES

- Prep starts promptly at 7.00pm.
- Prep operates in silence so that everyone can concentrate.
- Listening to music on phones or other mobile devices (even with earphones) is not permitted because of the distraction that it causes both to you and those around you.
- Be organised before prep starts so that you cause as little disruption as possible.
- Have your planner open on the corner of your desk so that it can be checked by supervising staff.
- Earphones should be used if there is any audio link to your work.
- Music practice may be undertaken once all other prep has been completed, providing it doesn't disturb anyone else.
- Always have a reading book with you in order that you have something to do once you have completed everything else.
- Showers must be taken outside of prep time.

Prep times: LC1 - 7.00 - 8.00pm
LC2 - 7.00 – 8.15pm
LC3 - 7.00 – 8.30pm
UC4 - 7.00 – 8.45pm
UC5 - 7.00 – 9.00pm

PREP RULES FOR SIXTH FORM HOUSES

- Prep starts promptly at 7.00pm.
- Music practice may be undertaken once all other prep has been completed, providing it doesn't disturb anyone else.
- Listening to music whilst studying is permitted but not films.
- Please keep movies until after prep.

SANCTIONS WITHIN JUNIOR HOUSES

In College we value trust, respect, honesty and consideration for others, enabling us to develop self-discipline and positive habits of mind which will last a lifetime and which establish a happy and productive atmosphere within the house, fostering learning and grow for all. Where possible, this is achieved by reliance on positive enforcement: encouragement, praise, explanation and role modelling.

When dealing with sanctions each case is individual; we discuss our core values and how the negative behaviour may contravene what we are trying to achieve. It is this reasoning and the understanding that negative behaviour is not helping the house as a community, which underpins how we deal with sanctions. Sanctions are always proportionate and appropriate to the misdemeanour. We will always try to give much greater focus to rewarding and promoting positive situations which reflect examples of pupils being trustworthy, honest, respectful and community minded.

Behaviour	Possible sanction
Late to house notices or breakfast	Report in uniform earlier and help staff with wake-up duties
Not ready for FOG / reading time / disruption after lights out	Earlier bedtime routine or lights out
Phones / laptops handed in late or not at all	Confiscation of device and / or help staff collect in devices
Deceit regarding phones / laptops	Confiscation of device and / or limitation of usage. Help staff collect in devices
Late from shopping	Time penalty for next shopping trip.
Repeatedly untidy room	Removal of Saturday / Sunday town time in order to tidy room and / or other areas of the house.
Antisocial behaviour towards staff or pupils	Community Service for the house

SANCTIONS WITHIN SIXTH FORM HOUSES

In College we value trust, respect, honesty and consideration for others, enabling us to develop self-discipline and positive habits of mind which will last a lifetime and which establish a happy and productive atmosphere within the house, fostering learning and grow for all. Where possible, this is achieved by reliance on positive enforcement: encouragement, praise, explanation and role modelling.

When dealing with sanctions each case is individual; we discuss our core values and how the negative behaviour may contravene what we are trying to achieve. It is this reasoning and the understanding that negative behaviour is not helping the house as a community, which underpins how we deal with sanctions. Sanctions are always proportionate and appropriate to the misdemeanour. We will always try to give much greater focus to rewarding and promoting positive situations which reflect examples of pupils being trustworthy, honest, respectful and community minded.

	1ST OFFENCE	2ND OFFENCE	REPEATED
LATE RETURN FROM NIGHT OUT	Warning	Loss of permission for night out following week	Weekend Gating
POOR BEHAVIOUR IN COLLEGE SERVICES OR MISSING SERVICES	7.45am VP detention on Monday morning	Support to Chaplaincy during the week	Gating – attendance at next Service to give support to Chaplain
TAKEAWAYS – once only across the weekend	Remove and return later	Domestic Chores on Sunday afternoon	VP Detention
DISHONESTY / RUDENESS AND DEFIANCE	Warning	Poor Conduct Demerit	VP Detention

Gating – removes weekend privileges to go home and to go out of the house other than for College commitments or to visit the Health and Fitness Centre (with restricted permission and attendance monitored by House).

OUT OF BOUNDS AREAS

There are certain areas of Cheltenham which are considered unsafe and unsuitable for pupils to go to. These include the Honeybourne Line, Pittville Park, the Lower High Street, Sandford Park, Parabola Lane and the cut through between Malvern Road and Parabola Road. A map is available in the houses for reference.
