CHELTENHAM
LADIES'
COLLEGE

SIXTH FORM ENTRY IN SEPTEMBER 2024
ART AND DESIGN

The Art and Design examination consists of **two** stages.

In advance of examination day:

1. Girls are requested to upload a single PDF document with photos of **up to ten** examples of their artwork. This **must** be provided by 1st October 2023.

   - The work can be in any medium.
   - Five of the ten images should be of sketchbook pages or another form of illustrated book such as a journal or planning sheets for a project.
   - When you are ready to submit your PDF, please contact Miss O'Leary (olearye@cheltladiescollege.org) who will provide a link to a secure online container where you can safely upload your work.
   - Please ensure the PDF is saved as the student's name so that we can identity which work belongs to which student.

On examination day:

2. Girls should complete a two-hour timed drawing examination. You will need an A4 or A3 piece of cartridge paper and suitable drawing media. Use one or a combination of the following media - biro, fine line pen, pencil, conte pencil. Charcoal, oil and chalk pastel are <u>not</u> acceptable.
   - **The theme or starting point is** *Paper Bags*. You can draw one or more, small or large, close up or further away.
   - We are looking for both a skilful approach and creativity.
   - As part of the exam the viewpoint, composition and approach to drawing should all be considered.
   - If you are not taking the exam in College, this work should be uploaded in the same way as the above, as a PDF document saved under the student's name. This **must** be uploaded during the exam period, 7-9 November 2023.
